Community Asset Fund

Help to raise money for a
New Village Hall for Llangwm.

Join the Community Asset Fund
and you can also win monthly
cash prizes whilst supporting your
community.

Visit www.llangwmfuture.co.uk

Who are we?

The Community Asset Fund is a regional lottery scheme who work closely with local people in their communities

What do we do?

We help support local community projects and organisations by raising money through the regional lottery scheme.

How do we do it?

Members are asked to complete a standing order and contact form.

We ask for a **one-off £6.00** membership fee followed by monthly standing orders of **£5.00** taken on the first (1st) of each month.

Why do we do it?

Very simply put, it is so important to support local communities, projects and organisations. We believe that fostering community spirit is greatly needed and helps bring people together. **Also, you can win some money!!**

When do things happen?

A monthly draw and your £5 will give you 5 draw numbers per month.

Your local contact person is:

Ann Maria Thomas

Contact via website:

www.llangwmfuture.co.uk

Where does your £5.00 a month go?

50% will go to Llangwm Village Hall.

35% will be put into the prize pot for the lottery draws.

15% will enable the Community Asset Fund to support other communities.
